DC Vote's Mission

DC Vote is an educational and advocacy organization dedicated to securing full voting representation in Congress for the residents of the District of Columbia.

Champions of Democracy Awards

Annually, DC Vote recognizes 'Champions of Democracy' for their dedication to fulfilling the promise of democracy and for the many ways they celebrate the rich heritage and vibrant communities of Washington, DC. These men and women represent the very best of American excellence and cherish the United States as a beacon of freedom and democracy for the world around us.

Through their actions and words, they defend our freedoms and promote our ideals. Champions of Democracy understand that being disenfranchised affects all aspects of civic life and have provided a voice to the over half a million disenfranchised Americans living in our Nation's capital.
